SPRING 2006

european workshop

The SVG European Workshop is a forum for technical and business professionals working with Scalable Vector Graphics. Meet other professionals working in this field, share experiences and learn from one another.

Participants have an opportunity to meet their European peers and share knowledge and information with the key players in the European SVG industry.

Companies have the ability to demonstrate to a targeted audience their latest product offerings for building content and applications using SVG.

Decision makers will learn about the latest trends and technical developments in the delivery of content and applications using Scalable Vector Graphics.

→ **when** Thursday and Friday, 11-12 May, 2006.

→ **where** Zurich, Switzerland. Click [here](#) for maps and hotel information.

→ **duration** The workshop runs for two days and is composed of two separate tracks: business and technical. Click [here](#) for the presentation schedule.

→ **cost** The cost of participating in the workshop is EUR250 for one day and EUR400 for two days. Click [here](#) for details.

→ **audience** The SVG European Workshop is specifically aimed at professionals in Europe working with SVG on the desktop and mobile spaces. Talks address decision makers, technical architects, and SVG-aware technical advisers.

→ **objective** Talks can be about any SVG-related subject including: product offerings, statements of need, case studies, show and tell, discussions about issues, directed search for answers. In order to maintain flow and general interest, presenters wishing to offer talks with a large degree of technical detail are invited to present 10-minute lightning talks.

→ **participants** All participants are expected to present a talk in one of the tracks. To sign up for the SVG European Workshop, please click [here](#).

→ **attendance** The SVG European Workshop will be limited from thirty to thirty-five participants.

→ **registration** Space is limited and presentation proposals will be accepted on a first-come, first-served basis. Registration date: April 15. Please click [here](#) for complete details.
